T. F. SCHMUCKER KILLED IN A FALL

Former Immigration Official Here Meets Death in Pittsburg.

T. F Schmucker, who four years ago 1. F Schmucker, who four years ago was in charge of the immigration department of the government service in El Paso, was killed on April 17, in Pittsburg, Pa., by falling from the sixth floor of the federal building in that city.

News of Mr. Schmucker's death was received in El Paso in a letter from Mrs. Schmucker to Mrs. R. M. G. Williams, of 720 North Florence street.

Mrs. Schmucker verification.

Mrs. Selmucker writes that she and Mr. Schmucker were walking together fown the stairway in the federal building in Pittsburg when Mr. Schmucker, evidently becoming suddenly faint or lizzy, fell down the stairway. The letter did not say he had fallen the entire distance to the ground floor, but implied that the fall had been a long one, and

caused Mr. Schmucker's death. Mr. Schuncker four years ago was transferred from El Paso to Denver, where he was connected with the immigration department of the government. It is not known that he had been transferred from there to Pittsburg, but that is supposed to have been the reason for his being in the Pennsylvania city.

Albert Baldwin was prominent in New Orleans busines circles, and prided him-sel fon being a "self made" man. He was active in founding the New Orleans National bank, and was prominent in promotion of the March Gras festivities in the Louisiana city. He was many years a Mason. Mr. Baldwin went south rom his home in East Jaffrey. N. H. shortly before the civil war. He was 78 years of age.

The funeral was held Monday morning Summit at New Orleans.

New York, N. Y. April 22.—Securities on the stock market went to a general level of lower prices in the foremoon today. The Titanic disaster and the more critical stage of the dispute between the railway managers and the engineers governed sentiment. Ronds were tregular.

Narrow fluctuations and increasing duliness were the dominant features of the market in the noon hour. The undersone remained heavy, especially in the coppers. Pittsburg Coal preferred went up 3% and American Snuff three polina. Reading made a vigorous upward spurt late in the day, toughing 16%. Buying of the coal stocks seemed to be based on an assumption that soon there will be a favorable outcome of the negotiations with the miners.

The market closed irregular. Coal shares made further improvement in the last hour and other active issues hardened in sympathy.

In the final dealings the entire list rose to a level where little more than fractional losses remained, while Reading Lehigh Valley and a few other issues were a point or more above Saturday's close.
